QSAC West 2004

First let me Say that I made an Error in the Schedule, The Dates I listed for Hot August Nights Indicated that it was a Saturday Sunday Race, but since it is a Night Race it will be held on Friday night for practice and Saturday night for all of the racing. I am sorry for the Error.

At the Last points Race we took nominations for next years Board we will be voting at Kingman in Sept, if you have any more nominations let me know soon.

If you missed the Boise Race you missed a great time (Mike always puts on a great show) make plans for next year it's all ready in the works for a special show....

If you get a chance talk to Tammy about the "Chopper" she picked up in Idaho.....

WHAT DO YOU MEAN I'VE CHANGED??????

By Diana Weller Ellwood

Well I'm very depressed this month. Our oldest daughter and our 2 ½ yr. Old grandson moved this past weekend to the State of Washington. Her husband is already in Washington waiting for their arrival. When I asked my Son in Law why he's moving everyone so far away his comment was "**You've changed** a lot since you've gotten involved with Quarterscale stuff." "What are you talking about" I said. I should not have asked he said "well, when we stay over night now, **you scream in your sleep**, "yellow, yellow, yellow. Don't take the #4 transponder. Awe, **kwitgerbitchin**." You are scaring the baby." And another thing "when I asked you what you wanted to drink with dinner, you used to say either soda or water. Now you say soda, water and whisky. And to top it off, your beautiful living room has a NASCAR pillow with the number 8 and some Earnhardt, Jr. person on it and your couch has a throw with the number 3 on it with some other Earnhardt person on it. Your medicine cabinet is full of Prozac, and" When he finished, I looked at him and said "Racing Rocks. Don't you want me to have hobbies?" I think that pushed him over the edge. Boy, I sure miss my grandson. Now I have to start **talking to my husband** again. Oh well, I guess my Son in Law has a point, (on the top of his head). I do have fears. For instance, every month, as were getting ready to go racing, I wonder what would happen if I spend a weekend with this group of MANIACS and I don't have anything to write about. **WHAT AM I THINKING????? THAT WILL NEVER HAPPEN**. For instance, we have several new Novice drivers this year, under the age of 16, and as they say, 'Out of the mouths of babes'. One young man in particular is **Daniel Schoeb**. Yes, his is the grandson of Nevada Bad Boy Ron Schoeb, and the Son of Tim Schoeb. This should be your first clue. Daniel is about 12, going on 30. Daniel has already endeared himself to our California Gentleman Dude, **Frank White**, by asking this 6 year veteran Sportsman racer, if he was a Novice Driver after Frank smacked into the back of Daniel during practice last month. This weekend he took on one of the **scoring Diva's**, ME. At the end of our Driver's meeting on Saturday, Chuck Beeman asked if anyone had anything else they wanted to talk about. Ron said "**Daniel**, don't you have something you want to talk about?" Daniel was sitting in front of me, he stood, faced me and said "Well, certain people when they announce the races, **talk too much** and it distracts me on the driver's stand. Now I don't want to mention any names, like DIANA." Is he a **SCHOEB** or what????????? Since I can't get back at a youngun without getting thrown to the ground and beat to a pulp, I decided to take it out on his grandfather, Ron, by printing this next incident. A few of us were sitting around after the heats on Saturday when the other scoring Diva, **Tammy Hart**, said "Hey, Diana, ask Ron to take off his shoes." Now Ron has been in these tennis shoes ALL DAY, so I'm thinking Tammy must be on her 3rd or 4th 4 pack of wine coolers to suggest such a thing. But she is my scoring sister so I trusted her. Ron took his shoes off and put his feet up on a nearby table. There, staring at me from the bottom of his socked feet were two **BIG BLUE 5's**, one on each sock. I knew this had to be good, so I asked "What's with the 5's?" Ron indicated that he got this idea from **Terry "The Godfather" Betterly**, another Nevada Bad Boy. Apparently Terry did not like the way the **lovely Mrs. Betterly** separated his socks. So, Terry and now Ron match their socks and put corresponding numbers on the bottom so they will always be matched properly. After I caught my breath from laughing I asked Ron, "You mean your **lovely wife Pat** does not match your socks for you?" Ron said the last time he asked Pat about matching his socks she suggested putting them somewhere, where they wouldn't require matching, (that of course is the clean version of her comment, I'll let you ladies fill in the real version on your own). Some one during the laughter asked the question, "Ron, what do you do with dark socks?" We all stopped laughing and

were sitting on the edge of our seats to hear the answer and Ron just calmly said “**I just don’t wear dark socks.**” Now, you see why I love these guys and gals. Who needs stand up comedians when you have 40 quarterscale brothers keeping you entertained.

The racing was of course good. The Grand National drivers redeemed themselves by putting on a good show. But we did have a little problem with Novice. We thought we would be fine with 5 turn marshals, 3 in the in-field and 2 outside the hay bales. However, after the Novice Main, **Chuck Beeman** said he is leaving quarter scale racing to take up **knitting** and **Mike “Mr. Boise” Kenley** is taking up **water polo**. We had to pry there fingers from the hay bales after the race. We had to remind them, they were Novice drivers once.

Well before I sign off, I have some **good news** and some **bad news**. The bad news is our other Godfather, Mr. **Bud Corte and his son Rusty Hall** moved to Florida. We will all miss both of them very much. They devoted a lot of time to the new Boulder City Track and quarter scale racing and we will miss their smiling faces. On the other hand **Terry Betterly**, our remaining Godfather, is doing a wonderful job, running the snack bar with his beautiful wife **Karen**, and all the other duties they have had to pick up. Thanks for running with the ball, we really do appreciate it. The good news is Steve Ballew’s operation was a success and he will be with us again in a couple of months. He even came by on Sunday to say hi. Can’t wait to have you back on the drivers stand Steve. Take care, glad to hear you are recovering nicely. **A BIG HAPPY BIRTHDAY TO OUR BROTHER FRANK WHITE**, I was threatened with my life if I told his age, but **Tammy** said it doesn’t matter what his age is because he has great legs. She is such a **PERV**. To my little brother Nevada Jr. Bad Boy Daniel Schoeb, **BLAH, BLAH, BLAH**. Now for your unpaid advertising spot **DON’T FORGET THE RACE IN BOISE, IDAHO JULY 1, 2 & 3**. Mike Kenley is a wonderful host. He feeds ya, entertains ya, it is truly a GREAT time. Make plans to go, you’ll get to meet some of our racing brothers from Washington, they are super people and very competitive. For information check out Mike’s web site at www.MKMK.com or call (208) 941-7562. Take the whole week off and before you go to Mike’s race go the Tri-City 250 race the gentlemen from Washington are having on June 25 and 26th. For more information check out <http://groups.msn.com/WSQSAC/home.htm> I also wanted to thank Mike for bring with him his **brother Dave**. This guy is **NUTS**. You can’t help but laugh around him because he is always laughing. He had a camera with him and was filming people during the day on Saturday and Sunday. I’m not sure he always got people at their best. He and Mike are going to edit the film and send it to us so we can play it at the banquet. I’m sure, knowing Dave, it will get a lot of laughs. Glad you came Dave, you fit right in with this group, and believe me when I tell you, that’s not necessarily a complement. Also want to say **CONGRATULATIONS** to Robin Young and his wife. They are expecting their first bundle of joy the end of this year. Don’t forget the **SUPER NATIONALS** October 6th-9th, at the Boulder City Track in Boulder City Nevada. \$1,000 purse for first place winners in each class, yes I said \$1,000. Lots of raffle prizes, give-a-ways, and lots of fun. **Z-Max is putting up the \$1,000 purses**, so don’t miss this one. Tommy will have the phone numbers for you in this newsletter, I think. Call and make your reservations now.

Well I have to go now, my husband and I are getting ready to go see ‘Raising Helen’, one of our Novice driver’s, **Matt “Hollywood” Sloan** is in this movie, way to go Matt. Maybe Ron will want you to sign one of his 5s.

We won’t see ya again until Hot August Nights in Boulder. Have fun, you lucky ones that get to go to Boise.
