## QSAC West 2005

### Welcome to the 2005 Racing Season

I hope the weather will improve for the first racing weekend this February (Superbowl weekend). If you have questions please contact one of your board members listed on the front page.

As of this time there is only one change to the QSAC rules Package, we will be allowing the use of the "32" carb in both the Sportsman and Novice Classes, with the use of a restrictor plate that will be provided by QSAC West (free). You can still use the 8.5 carb. The main difference being you can adjust the 32 carb without having to rejet it. Remember All QSAC Events (National and District Races you must abide by there rules) this is a QSAC West change and for the time being is only effective at our events. To get one of the plates you can contact John Ferguson at (909) 556-5083. If you have any questions contact the race officials at the event you are attending.

We are planning to run 2 of our races at the refurbished Phoenix track but there is a small question at this time about getting all the work completed (Weather related). We will let you know as soon as possible about what will be happening there, We have set up replacement tracks if problems exist. I do need information from you guys in the Phoenix area, directions, and Hotel information. So I can get it in the next news letter, please help and send me a note. Tom

If you would like Video of the Super Nationals please contact— Race Action Video is selling tapes and DVD's of the race. Contact Gale at 509-947-2119

We have a 7 Race Series with 1 throw out  
We will be using the same points system as last year 200 – 1st, 196 – 2nd, 192 – 3rd , 188 – 4th for all positions.

#### Letters to the Editor

I will always try and print anything in proper taste that you send me. (tom)

There is a racer that lives about 50 miles from the Knoxville Nationals track. He has expressed an interest in promoting an asphalt oval parking lot race during the Knoxville Sprint Car Nationals, August 10-13, 2005.

We need to know how many racers would be interested in running this race. What do you think guys? Do you want to go watch the top sprint car racers in the world and race our cars the same week?

Larry 800-266-7745

Steve and Jenni Kenley of Idaho would like to thank everyone who helped get Steve and his car to the Super Nationals this year.

Due to an unforeseen crisis (Steve's brother Mike having a brand new baby in NICU.) Steve lost his ride to Vegas for the Super Nationals at the last minute, but thanks to an expensive plane ticket, and a bunch of help from you wonderful people, he was able to make it to Vegas to represent Idaho.

Special thanks to all of the Washington guys, especially Greg Wolfe, for getting his car to Vegas and giving him a place to work on it.

Special thanks also to Tony & Jill Evans and Jimmy Silvay for picking him up from the airport and taking care of him until Jenni could arrive.

More Special thanks to Lance Cote and Tim Fleenor for helping to get his car running and on the track.

YOU GUYS ROCK!!

It is great to have such a wonderful racing family that will step in to help in times of crisis! Thanks again everyone!

Steve and Jenni Kenley
