See you at the Races!!!!!!!

2005-3

We have several special races coming up in the next few months if you need more information please call the people listed in the listing to my right and later in the newsletter.

Jeff Miller asked me to drop a note to let you all know that he is "not upset" but that health and money and Zach in baseball have made him sit out a few races, maybe the whole season.

With 2 races down and 5 to go for the season racing is close and the competition is great. I am hoping to see all of you guy's in Boulder.

Information on directions and Hotels for September's Phoenix race will be in one of the next few newsletters.

I would like to thank Donna for the great articles she has been writing for the newsletter for the last few years, it really would not be the same without her.

Now The Young-un's Won't Talk To Me
By Donna AKA Diana

WOW!!!! The racing was really good this past weekend. The new members we have are really good and raising the bar for the rest of the pack, this is making our other dysfunctional family members even better. I found myself really into the racing this weekend. The Sportsman Main was good, good, good. Our new dysfunctional member **Keoni Ahyat** was leading for most of the race then with about 30 laps remaining was coming up on traffic and got caught up in a crash and ended up in 7th place. I felt sick when that happened, but I have a feeling he will get past this mishap and do very well this season. Our beloved Grand National class was a **HACK FEST**, but still some good close racing. These guys are going sooooo fast sometimes the reaction time of some of our **OLD F__TS** (John (I have pictures) F, **Jim S.**, Tony E, Steve M) is not so good, but we love them just the same. Why do I feel my next time in the scoring booth will be **pure HELL**. Speaking of John F., I had to counsel **Matt Robbins**, one of our new members, this weekend because he was hanging around John F. I tried to tell Matt about the stories and rumors, but he still hung out with John. Oh well you can lead the racer to the track, but you can't make him tighten the bolts. **WHAT???????**

I predict Matt will be in the newsletter a few more times this year. We have some good competition in the Open Wheel Class. Let's give a **WELCOME BACK to Richie AKA Hippie Abbott**. Mr. Abbott return to us after making his mark on the racing scene in Dwarf Cars, and will be a contender in our Open Wheel Class. He won the Main and I am predicting a strong showing this season for our HIPPIE. My Son in Law would be soooo proud that we have a hippie racing. By the way, our 3 year old Grandson was with us this weekend visiting from Washington State. Just knowing that he is 3 should tell you what kind of drama took place this weekend. The poor guys were traumatized. I heard several of them say they never want grand children. Oh well our grandson had a good time. Speaking of big car racing, our very own lovable **Dennis Andrews** won the **Pro 4 Championship** last year. **GREAT JOB DENNIS**, way to bump and grind. Now back to nick names, since **Dion Cross** still calls me DONNA, I would like you all to be aware of his new nick name. I call him **QUIZNO**. For those of you, who know Dion, check out the Quizno commercials with the baby. Does that baby remind you of Dion or what????? I love that Quizno baby. Really enjoyed the racing guys and gals, I am actually looking forward to next month, sort of.

Update on New Mexico Track. Mike Means was racing with us this weekend and brought some pictures of the track. IT IS VERY NICE. It's not quite done yet, but it's close. Nice high drivers stand, and **380 feet** of pure, bull pin, racing fun. Our guys can't wait to go. Mike was going to try to set up a race this year, but he says he would like a little more time with the track, so we are going to schedule a race in New Mexico next year. **Keep your calendar open in 2006 for a New Mexico race**, great job Mike. I think **Robin Young** is going to try and get some of those pictures on the **NEW WEB SITE**, he was kind enough to put together for us. Check out **QSACWest.org.**, great job Robin, thanks. Speaking of Robin, my little good luck charm worked again this weekend **Brianna** is on a roll, no one died this weekend. I had a few contenders (Lance, John, Dion, Matt, Mike Means, both Jims, Daniel, Ron,.....) but Brianna set me straight. I think Brianna needs to work her charm on **Shannon Flores and Daniel Schoeb**. Apparently they were upset because of what was written in the last article, **CAN YOU IMAGINE????** Actually, Rudy is not really talking to me either. You see, I got two Flores with one stroke. When the lovely Mrs. Flores (Sharon) read the article, Poppa Flores (Rudy) was in trouble too. Momma wanted to know what Poppa was allowing Daughter (Shannon) to do at the race track. As a matter of fact the only Flores that was not mad at me was Shannon's little sister **Stephanie**. Cute Stephanie came up to me and said, "Hey Diana, great article. I really liked the part on Shannon and Nick." I just love that girl. When I said hi to Shannon, she turned her back on me, so I said hi to boyfriend **Nick**, he just nodded. I said to Rudy, geez, is Nick mad at me too? Rudy said, "No I don't think so, he just doesn't talk much." I said, "Yeah, I guess not, since the guy doesn't have any **lips**." I was band from the Flores camp the rest of the weekend. I think they removed me from their Christmas card list too. And I guess I won't be getting one from **Daniel Schoeb** either. He is refusing to talk to me. When I went to give him a hug this weekend he ran screaming **STAY AWAY**. Apparently Aunt Tammy Hart was not amused about the cooking comment and not only made Daniel sleep with the Coyotes, she threw in some snakes too. I also want to point out a mistake that **Tammy Hart** made. She was under the weather and not able to make this race, but she sent a **T-Shirt** for me she had made. Her husband Dave Hart, explained she made one for her and one for me, but I tried to explain to her **handsome husband Dave**, that she messed up and gave me her shirt. She had t-shirts made up, one says **Good Twin** and the other one says **Evil Twin** and she sent me the one that says Evil Twin in error. When I told Dave about it he just said, "I think you better talk to Tammy about it, I'm not **sleeping in the garage** again." I'm not sure what that means, but not to worry I will get it straightened out with Tammy later. You do think she made a mistake don't you? I'm sure she did.

Congrats to our winners this weekend, **Novice-Eric Sloan**, **Open Wheel-Richie (Hippie) Abbott**, **Sportsman-Sean McCrea**, **Truck-Bob Bates, jr.**, and **Grand National-Jim Silvay**.

Take care, see ya all later. Don't worry, our grandson went back home to Washington, he won't be with us next month, you can all breath easier.
