Orcutt Ca. 93455

See you at the Races!!!!!!!

2005-4

QSAC West 2005

I would like to Thank Diana for her very nice comments about my daughter, I'm as proud as I can be of her.

We have some very tight races shaping up this season. I will be figuring out the throwouts after the next race or so, if you are having a problem figuring it out give me a call.

If you are even thinking about the Boise race —— Go —— it's a blast ——

Next month I will have Tammy and Dave's new number on the Board members page, but for now it will be changing, As of May 20th, 2005 3486 Tahitian Drive Lake Havasu City, Arizona 86403 928-854-2686

I'm sitting here trying to figure out what to do with this space, and nothing!!!!
I need information, articles and filler, don't let Diana and me be the only ones saying anything.
For now it's Blank, just waiting for you.

Tom

CONFESSIONS OF A CRAZY LAP COUNTER

By Diana Half Nuts Weller Ellwood

Before I get into my latest therapy session, I want to say **CONGRATULATIONS** to **Dawn Hughes**; Tom & Sheri Hughes daughter. This month she will graduate from The Masters College with her degree. She does it with style, and lots of hard work, in just 3 ½ years. She is working towards teaching, and those children lucky enough to have her as their teacher will benefit greatly. **WAY TO GO DAWN, woo,woo,woo,woo.** Too bad she's not becoming a Therapist, I could use her. Speaking of crazy people; let me invite you into my world. Our last race was in Boulder City NV. The wind was blowing about 40-50 miles per hour and I'm trapped with **40 unhinged individuals.** What's that you say you want an example? I don't have time to give you all 40 so I'll just pick a few. My husband and I blew in on Thursday night. Friday I was sitting in Dave Hart's new trailer talking to **Dave and Tammy** when Dave finds a flaw in one of the tires on his car. Tammy takes the tire over to **Larry Cross** to see if he will exchange it and Larry is frantic. He has been working on one of his cars all morning and can't get it to work at all. Tammy's trying to help by making some suggestions when Larry discovers, he has been trying to run the car with the wrong radio. As Comedian Bill Engvall would say, **"Welcome to my world"**. Then we have **Jim Dooley.** A couple of races ago I was getting all the person **transponder numbers** and re-checking them in the computer. When I walked up to Chuck Beeman and Jim Dooley, Chuck kindly looked at the number and read it off to me. Jim was standing approx. 20 feet from his car. He said to me, "Are you ready for my number"? I said, "Sure", expecting him to walk back to his car and read off the number to me since these transponders are about 1" X 1" in size. Instead Jim says, "I got new glasses and their so good I can read the number from here, so he starts reading off the number. I looked at the car and looked at him and was starting to feel amazed at this feat when he starts laughing. The number was written on the outside of the car in about 2" numbers. It's depressing to think I can still get sucked in on something like that, especially by Jim Dooley, a person who has tried to run me over in a parking lot. Then on Sunday we are trying to get the mains completed in a 30 mile an hour wind, we're a little frazzled in scoring trying to get the races done before we lose the paint off our cars and trailers, when **John Ferguson** sticks a camera in our window and starts taking **pictures** for blackmail dirt to be used at a later date. Dion Quizno Cross is trying to buy me off to let him win his main, **Richie Abbott** is going around trying to get dirt on me from some of the other trouble makers (Terry Betterly, John Ferguson, Ron Schoeb, Daniel Schoeb, Troy Sch..... And more), **Tammy's** talking about her husbands **"Fuel Bottle"** and how it excites her, **Steve Ballew** is working undercover for who knows who **spying** on us at dinner to see if he can get any dirt for future use, and **Lance Cote** ran **screaming** from our trailer after I opened the door just after I got up in the morning. He was rambling something about "look out, a beast just ate Diana". Ok, Ok I look a little different when I first get up in the morning. So now you know why I see a therapist 6 days a week. But I have to say even after all this and trust me lots more. When I need help these race maniacs pitch in and give me everything I need and more. So a **BIG THANKS** to all of my, neurotic, paranoid, frantic racing Brothers and Sisters, yes even you too John Ferguson. You're a great bunch of **NUTS.** Who wants to be sane anyway, the crazy ones always have more fun, better drugs, and they provide with a lot of stuff to write about.

The racing was not much fun in the wind, but our Novice drivers are really doing well. **Eric Sloan**, who by the way is all of 11 years old and is already **picking up girls** at the track with his Grand Father's (Larry Cross) golf cart, of course I'm not sure if he's picking them up for himself or for Larry, in any case he is really doing well, took 1st. in the Main. Our only lady driver the beautiful **Shannon Flores**, is another very good driver, and **Daniel Schoeb** who had some car trouble this race is also very good. It's fun to watch these mini people developing their skills. Soon I think we will have two more drivers from the Flores camp. I think Shannon's boyfriend **Nick** may try his hand at it and Shannon's younger beautiful sister **Stephanie** will probably give her sister some competition. I hope to see them both racing some day, soon. One driver who has not shown his face this year yet is Robert Kennedy. **HEY ROBERT**, did you get married and forget about us????? Another one were missing is Ross Rettig, **HEY ROSS**, we need ya. You can even bring your flowers. Hope to see these goof balls soon.

Before I sign off I want to remind you all that we added another award category to our end of the season awards banquet the Out Standing Misfit AKA **Short Bus Awards**, and I need your feed back on who you think should get an award and what they did. So don't hesitate to fink on your fellow drivers. I have not gotten anyone to spill the dirt yet. It was **Tony Evans** that suggested we call the award category The Short Bus Awards, which is very fitting since he was the recipient of the first award. His lovely wife Jill told me he was sitting there when I was introducing our new category and he said "hey we should call it the Short Bus Award", and then his name was called. He got a T-Shirt with a SCR_W YOU saying on the front and the Tasmanian Devil on the back for his constant aggravating and other personality traits that make you want to kill him. Other recipients of a Short Bus Award were **Jim The Mouth Silvay.** I think you can tell what he got his award for (The Mouth), and his tactfulness or shall I say lack of. For that he received a T-Shirt with a big mouth on it. **Ross Rettig** got dried out flowers in a beat up tin can for belly aching about no one getting him a card when he was sick. **Ron Schoeb** and **Terry Betterly** got black dress socks with their car # painted on the bottom with "white out" since Ron picked up on Terry's idea of numbering his socks on the bottom so he can find and sort them. It also lets you know who is stealing your socks when someone puts their feet up and there staring you in the face a your #11's. And last but definitely not least, **Tammy Hart** got an Evil Twin necklace and a cook book titled Any B _ t _ h Can Cook. Need I say more? I think not.

So come on guys and gals get busy and fink on each other. I already have some Ideas of my own, ha, ha, ha, ha, ha, ha, ha, ha, ha. Ok I think I have stepped on enough toes, time to sign off. Hope to see you next month in Rialto.
