See you at the Races!!!!!!!

2005-5

QSAC West 2005

Here we are 4 points races down, 3 to go, I've included the throw outs into the points. After 1 more points race we will be into the Special Race Season, with the National Championship Next on the schedule, Then the Northwest Nationals in Boise. Then a short time off, and Hot Aug. Nites. Plan on making as many as you can of these Races.

The 6th points Race is Scheduled in Phoenix, last I heard they were still having problems getting the surface down we will let you know where that race will be as soon as it is firm.

You won't be getting another newsletter until the Race 6 is in stone, but I will send it out as soon as I am told. I will have the points after the 5th race and bring or send them to all of the races so you can see them. I will try and have Robin post the on QSACWEST.org as well. If you can't wait give me a call and I will let you know where you stand.

Remember if you have something for the newsletter send it to me.....

Tom

WE ARE A BEAT UP GROUP
By Your Tired Lap Counter Diana Weller Ellwood

When we pulled into Rialto late Friday afternoon, we made camp next to Bob Bates, Sr. My first thought was, **OH NO!!!!!!!!!!** But then I realized he brought his lovely wife and a grandson. I was talking to them Friday night and did not know that Mrs. Bates use to race also, way to go girl. She also confessed to me that she has been married to this OLD F __ T, for over 50 years. After hearing that all I could do is keep apologizing to her, “**I’m sooooo sorry** you had to carry that cross”. She said his parents paid her very well to keep him. Well that explained part of it. If any woman ever deserved a survival **MEDAL** it is this lovely lady. But having said that, I love to see marriages that last forever, it shows me there is hope and that they are good buddies and that’s what it’s all about. Bob we love ya just the way you are.

Saturday as I was signing up the guys, all I was hearing was my back is out, my knee is out, my arthritis is acting up I walked into **Dave Hart’s** trailer and Dave and **Frank White** were sitting in there talking. Frank had his elbow wrapped and his knee, and Dave could hardly get up to get his money out for sign ups. Frank said “Are we a sorry group or what?” Frank was telling me at Friday’s practice Larry Cross asked for help to fix the track. Frank said, “**We fired up our wheel chairs**, walkers and canes and headed towards the track to help out.” Then **Frank** made a comment that almost made me **wet myself**, he said “We are in such sad shape it takes 5 of us to make up 1 man.” Amen. When I noticed one of our Arizona Cowboys was not here I was very upset to hear he was not going to be here because he had a heart attack. So we all want to give a shout out to, as the Arizona’s boys call him, **Poppa Smurf, Russ Poole**. Get well soon, and **GET YOUR BUTT BACK HERE**. Some people will do anything for a little attention. I was assured by Jim Silvay and Tony Evans he is doing well. We also want to give a shout out to **Larry Gold** who had a knee replacement, and **Chuck Beeman** who had skin cancer removed from his hear. At least I did feel bad for Chuck until I found out that at our Driver’s meeting on Saturday, he called me **DONNA**. If he’s not careful, they will be operating on his other ear after I box it a few times. After hearing that, I told Chuck he cannot hang around with **Dion Cross** anymore. And **Larry Gold** is not allowed to hang around **Jim Dooley**. When I signed up Larry he asked me if I needed his personal transponder number. I said yes I do. He stood back about 10 feet and said I think I can read it from hear and started rattling off numbers, and with my Blonde Roots showing I started to write down a couple of numbers before I caught myself and scolded him for trying to pull a Jim Dooley on me. Speaking of blonde jokes, what do they call a blonde with two brain cells? **Pregnant**. What, I thought that was funny. I don’t know why I feel sorry for these clowns, but then I feel bad for **stray dogs** too, and these guys are definitely dogs. . Just to show you how desperate these guys are. **John Ferguson** kept bringing me beer all weekend so his name would not be in the news letter. I kinda like this bribery stuff. But for the first time I rendered John speechless. I was having a trying day on Saturday when John asked me if I wanted a beer, I said “I would like to **fill a bathtub** with beer get in stick a straw in the tub and drink until the tub is dry.” John looked at me funny and said “You have lost it, I don’t know you anymore.” Gee do ya think hanging around you guys has anything to do with my **TUDE??????**

We had a new announcer this weekend. **Dion Quizno Cross** tried his hand at announcing and did a good job. Although he kept saying to me, Donna, “How do you put up with these **cry babies?**” Welcome to my personal hell. I don’t know if he will volunteer again though, he said this is toooooo much work and you have to put up with these..... But he did a good job and I think I will see him back in the booth before long. And then there’s **Frank White**. He cracks me up when he announces. He gets so caught up in the racing. He is very good at announcing, but he really gets excited when the racing is good and close and he will call a wreck but forgets to call the yellow flag. He is so much fun to watch. **Allen Hess** is also a good announcer he has some of the best sayings. The only problem I have with Allen is he sings between yellow flags, or I should say he thinks he’s singing. Once the dogs start howling that’s a good sign you don’t want to give up your day job to join a band. Ya gotta love these guys, **they are entertaining**. They’re all beat up, but they are fun, sometimes. Thanks for helping out guys. What about the racing? Oh, it was good.

Well I think that’s all the damage I can do for now, well maybe not all the damage.

Tom Hughes and I have been disgusting who we thought would win American Idol. He was voting for Anthony or Kary. I said no way Bo is going to win. He said he can’t stand Rock N Roll. Of course I said **Rock N Roll Rules**. County Girl, Kary won. Ok, Ok Tom you win. I am now putting my thumbs in my ears, and sticking my tongue out.

You won this one. Actually I think she is great, but I don't want Tom to know that, so don't tell him. Some one told me we had two birthdays, so we want to say **HAPPY BIRTHDAY** to Don Helsel and Larry Gold. I was told they would reveal some dirt on me if I told how old they are, so my lips are sealed. I don't want to end on a sour note, but I got a phone call this week from **Steve Ballew** and someone broke into his trailer, parked in front of his house, and cleaned it out. His car and tools are gone. The personal transponder was in the car so I gave him the number and we are alerting the tracks across the US if anyone shows up with this **transponder number it is stolen**. If you have any suggestions please help him out.

DON'T FORGET, the Northwest Nationals are July 1 – 3, at the Western Idaho Fairgrounds. This is a great time for all. It is a true family event, please make plans to attend. For information call **Mike Kenley at (208) 703-0490** or **KSRMOTORSPORTS.COM**. This year it is at a new location, directions are in our news letter. Once again we are not going to be able to attend so I need someone to go and get all the dirt for me so I can live the experience vicariously from your dirt. Please make plans to go, you will not regret it, I guarantee a great time.

I also want to remind you the **QSAC National Championship race** will be held in **Boulder City, NV, June 24th – 25th**. We look forward to seeing our Eastern Brothers and Sisters again. I don't have a contact number on this race, but I'm sure the information is on QSAC's web site.

We are still not sure where September's point race will be. **Robin Young** is trying his best to lite a fire under the volunteers putting together the **Phoenix Track**. It may be done, we will know soon. If not Septembers race will be in Rialto.

Ok I've got to go my husband is chasing the dog around the house with the **broom**. My life definitely has a disturbing pattern.

See ya in Rialto.
