See you at the Races!!!!!!!

2006-2

QSAC West 2006

First let me apologize for the lateness of this newsletter.

What a time we had in Phoenix, the track was great, good surface, friendly walls, and good people. I don't know about you but I had a good time, I hope everyone did. Lots of thanks to all of the hard work put in to make it a success. I saw a few old faces (well not really that old we just have not seen them in a while) that stopped by to see what was happening, it was great to see you guys again, I hope we will see you again and others in the near future Paul, Bill, Dale.

The National Points series Race will be in Boulder in a few weeks, even if it's the only one of the series you can attend you should try.

For anyone who might be interested my shocks have been QSAC Approved.

First, I would like to thank everyone for coming to Arizona, for the first points race of the season. As this was also the first race at the newly renovated speedworld facility. A lot of thanks goes out to Robin Young, Mike Fleek, and Sean McCrea for the work done, to get the track ready to race on.

As those who attended saw, this facility is a very busy place, with all of the different events that could be conducted at any one time.

For our racing, the attendance was very good. And the weather was good on Friday as well as Sunday, however Saturday left a little to be desired.

It was good to see all of the regular racers, as well as several new racers that were in attendance, and hope to see all of you at the races, the rest of the year.

Everyone seemed to enjoy the track, as it is a smaller track then we have at our other locations. This made for some very close and good racing, and as always some bumping and crashing, but in all, it seemed that everyone enjoyed themselves.

Thanks goes out to everyone for their patience and cooperation during the running of the races. As we were unable to use the scoring system and had to hand score all of the races over the weekend. This brings me to a, **VERY BIG THANK YOU** to Diane Weller and Steve Mylar for their help in getting the scoring done...Great job.

Thanks also goes out to Glenn Gordon for the good job of announcing that he did for us, as this was the first time he has ever been a part of our style of racing.

Do not forget that we will be trying to keep to a standard race weekend schedule.

Saturday:

open practice until 10:15 am

10:30 am drivers meeting

heats begin 11:30 am

open practice after heats

Sunday:

controlled practice from 8:00 to 8:50 am

Hope to see all of you at the races !!! Tony Evans
