See you at the Races!!!!!!!

2006-5

## QSAC West 2006

The end of the Summer is fast approaching, I hope you all got a chance to attend one or more of the Specialty Races that were / are being held this summer.

Hot August Nites is this weekend. This is the Bill Schuman Memorial, and will have an additional \$500.00 in the purse, provided by Steve Mylar. The Track will be open all night Friday and Racing will start at 5:00 on Saturday we should be complete by 10:30 or so. I hope all you can attend.

While I was working up the points for our last race I realized that 3 of the positions were Transponder numbers and I don't have any names to go along with them. If it was you please let me know and I will get the corrections worked into the series. You might note that the grayed out cell in the points is the one I selected for your throw out. If you see any problems or have any questions please let me know. Our next points race is in Rialto in Sept.

We have 3 positions open for the Board next year, and will be taking Nominations in Rialto, then Voting in Phoenix. We need good people to help out with our rules and schedule so plan on helping out.

Thanks Tom

Hello, I am getting to this article a little late so it is going to be short. Over the past couple of months there have been some non-points races run. The first being in Phoenix, in June, and only had 6 racers, with 1 traveler the Scotts from Ca. On Friday we all sportsman rules then on Saturday we all ran the GN setup. The winner on both days was Jim Silvay. Just a side note on Fri. all 6 cars finished, but on Sat. only 3 cars finished. All who raced had a good time and some enjoyed running their cars with the faster GN setup.

The next non-points race, was the Northwest Nationals in Boise,Id. the turnout was good and fun was had all in attendance. First of all, there are alot of you that have never been to this race that Mike Kenley and his family put on. To those of you who have never made the trip you have no idea what you are missing, put it on the calender for next year and go enjoy yourself.

There were 3 classes run at the Northwest Nationals, open wheel, novice & sportsman. In open wheel Bob Bates, won both the

trophy dash and main. In novice Daniel Schoeb, also won both the trophy dash and main. In the sportsman class Kenny Roller won the trophy dash, with Denny Andrews taking the win in the main. The next non-points race was at Rialto raceway. There were 3 classes run at this race, open wheel, sportsman and truck. The winner in open wheel was Bob Bates, with sportsman going to Denny Andrews, and truck to Jim Silvay. I was not in attendance for this race so I do not have information about the happenings.

The 2006 season is at the halfway point, it is time to start giving thought to what you would like to see happen next year. Also who you would like to see on the board, as there are 3 positions open for replacement I believe.

Some things I have thought of as well as have been brought to my attention are:

- 1) nine race series with 2 throwouts
  - 2) some of the events to be a one day race
  - 3) race from Feb thru Nov
  - 4) reduce the number of classes possibly combine truck and gn.....They are the same except for body
  - 5) do away with points placing payout and reduce the fee to race, but still award the top 3 to 5 with trophies/plaques.
  - 6) adopt the national rules completely so everyone knows what they are
- If you can think of something else, write it down and get it to me and I will let the board know what it is you would like to see next year as we need to start preparing for the making of the 2007 schedule and possibly the changing of a few things. Change is sometimes good, and we need to get more people interested in our hobby so it can continue.

.....Tony Evans.....

Living In 2005

You know you're living in 2005 when...

1. You accidentally enter your password on the microwave.
2. You haven't played solitaire with real cards in years (shuffle ... what's that?).
3. You e-mail the person who works at the desk next to you.
4. You've sat at the same desk for four years and worked for three different companies.

5. You have a list of 16 phone numbers to reach your family of four

While attending a Marriage Seminar dealing with communication, Tom and his wife Grace listened to the instructor.

"It is essential that husbands and wives know the things that are important to each other." Addressing Tom he said, "Can you describe your wife's favorite flower?"

Tom leaned over, touched his wife's arm gently and whispered, "It's Pillsbury, isn't it?"

The rest of the story gets rather ugly, so I'll stop right here.
