See you at the Races!!!!!!!

2007-3

QSAC West 2007

The first points race for 2007 is in the books, and the first NCS race was run at the new Riverside track. I understand that the surface is flawless. Points race #2 is in Phoenix and the weather appears to be with us this time, I hope all of you can make it.

Directions:

“Speedworld” The most direct route is up the 303 loop (exit 124) but it has a more lights then taking the Sun Valley Pkwy (exit 109). Go North on 303 and when you reach 60 go North on 60 (you have to turn before the highway) and turn West on W. Happy Valley Road. Look for the sign on your Right you can't miss it.

Any questions call Robin or Tony.

Tom

Rialto, March 3/4 2007

BY: TONY EVANS

The first race of the season is now in the books, and overall everything started off fairly well. The first race was in Rialto with a slightly low car count, but good racing anyhow. This would finally be the last race at the Rialto Airport as the new track in Riverside would be ready for the upcoming NCS District Race.

The new season started off with a new restrictor plate for the novice and sportsman class cars. This plate is one that the board thought would work better and make them easier to tech. The new plate is required for everyone that is running one of the restricted classes for this year. The cost of the new plate is \$5.00 and requires new bolts. The bolts that appear to work best are 55mm long.

The weather for the race in Rialto was nice, except that the wind was blowing at what seemed to be 30 mph. This made things interesting at times, just ask an Open Wheel driver.

The races on Saturday started off a little late as the computer gremlins were at work again, but Larry Cross and Bill Scott got them worked out, and the races were completed before darkness set in.

The Races on Sunday started a little more on time and went smoother, having everyone on the road by approximately 2:30 in the afternoon. Tech on Sunday was done and one car from each class had their motors checked. There was only one car that had a problem and it was with an illegal clutch in sportsman.

There was a new pit stop rule put in place for 2007 season. This made pitting at anytime other than during a red flag. This however brought forth a few problems, with a little tweaking I think this will work out well.

For 2007 everyone will see a little more tech, as we are going to start doing some motor

measuring, as well as some motors being torn down and checked.

The next points race will be in Phoenix on the weekend of April 14th & 15th and the weather is expected to be in the mid 80s and sunny.

The race in Phoenix will again have a BBQ at the Evans residence on Saturday evening. We only ask that you bring your own beverage of choice and we will provide the rest.

Just a note about the NCS District Race held on March 16th & 17th in California at the new Riverside, Milestone Ranch Park facility.

From the results posted, there were 22 entries with the winners being,

Nov -A.C. Goins

OW- Dave Hart

Sports- Lance Cote

Truck- Rudy Flores

G.N.- Denny Andrews

Congratulations to all of the winners at the NCS Western District Race.

Hope everyone has made their plans for the racing season that will allow you to make most if not all of this seasons races. During the summer hopefully it would be possible to make the trip to Boise, Idaho.

For those who are trying for the NCS championship, a trip to one of the other NCS district races on the schedule.

Personally I plan on being in Boise, Idaho during the fourth of July for the Northwest Nationals, as well as trying to go to Michigan in August for the Royal Oak Grand National Race.

Hope to see everyone at the races !!
