QSAC West News Letter

See you at the Races!!!!!!!

2008-2

## QSAC West 2008

I heard from Tammy a few weeks ago and she is doing very well, keep it up Tammy!!!!  
Race one is in the book, great weather good surface, and more motorcycles then you have ever seen.  
Race two is only a breath away, weather is looking very good.  
Boulder City Club Race 2 is also complete and if you are looking for a one day show this may be your thing.  
There is a new address Denny so update your address book.  
I am still looking for input from any of you on the past or upcoming races or anything else for that mater.  
I was informed shortly after the last news letter that we lost a long time QSAC West supporter Ron Pepe last September, sorry to see you go Ron.  
We have seen the return of a lot of "old" racers, great to see you guys again, Gus, Nick, Lance, Dino...and.....

Tom

Hello Racers:

Hopefully everyone enjoyed the first QSAC West Points Race. The weather was great!  
It was great to see some newcomers. Brad Russell-Sprint Car, Bob Johnson-Novice Nick Schons-Truck and Gus Gustafson-Open Wheel. Hope to see you guys at future races. We had 34 entries. I look forward to seeing a little better turnout at the next race. We had several racers that had family or other issues that prevented them from making the first race. Incidentally, Bob Johnson sells lawn and garden equipment. If anyone is in the market, his number is 951.699.2700. Bob got both Milestone and Boulder a really good deal on walk behind blowers. Both tracks should be Super Clean for future events!!!

I hope everybody's ready for some great racing at Speedworld March 8<sup>th</sup> and 9<sup>th</sup>. It appears that the long range forecast predicts nice weather in Arizona.

Membership—If you haven't yet paid your membership for 2008, it needs to be in Doreen Brown's hands before March 31<sup>st</sup>, in order to be eligible for some really great prizes, such as; a lifetime engine, tires, gift certificates etc. Memberships also need to be paid in order to race and have your points count. Travel and track insurance is also included in your membership.

I think I notified everyone that the plates are available and required for all classes, at the next race. Larry Cross and Mike Willman have them in stock.

If you notice on the QSAC West 2008, Points Page, there were 34 entries. There is also a list of names of racers who attended races last year. If everybody, whose name was on the page showed up at the next race, we would have over 70 entries. Wouldn't that be great! The point is: if you see somebody's name on the list, please give them a call and encourage them to come out, race and have some fun with us.

We are getting some new people participating in the forum and I would like to see even more. Just click on the QSAC West forum link. If you have something to sell or some information that you think might be useful, or some question you want answered, make use of this valuable resource.

Thanks, and hope to see everyone at Speedworld.

### Boulder City RC Speedway

This is a local points series with 5 races being held at the Boulder City RC speedway. Everyone is welcome, we will be running everyone in a sportsman car / truck class with a 8mm restricter plate. If there is a larger turn out there will be more classes added. There is a \$15 entry fee, there will be 2 heat races and 1 main.

March 22nd Club points race #3

May 31st Club points race # 4

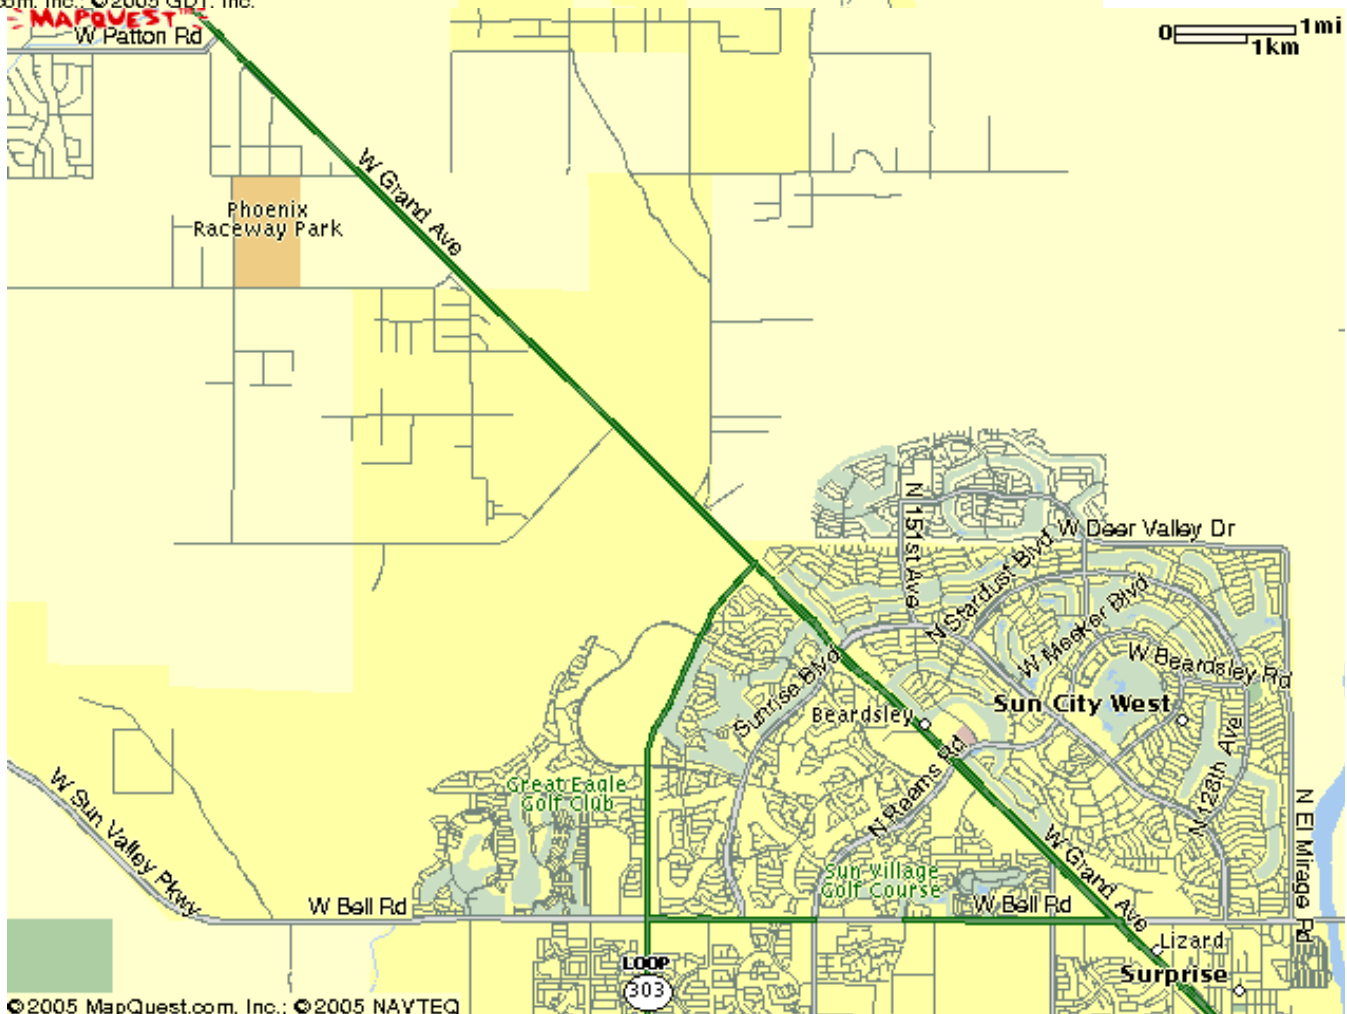

July 26th Club points race #5

For more infomation call John 702-210-3963 or a local Qsara member

I've included 2 Maps to the Phoenix Track "Speedworld". The first is a overall map which shows where the track is in relationship to the freeways. The most direct route is up the 303 loop (exit 124) but it has a more lights then taking the Sun Valley Pkwy (exit 109). The Second is a closeup of what to do when you get close to the "60".  
Go North on 60 and turn West on W. Happy Valley Road, when coming from the south.

## **Bank Crisis Hits Japan**

Following the problems in the sub-prime lending market in America and the run on Northern Rock Bank in the U.K., financial uncertainty has now hit Japan.

In the last seven days Origami Bank has folded, Sumo Bank has gone belly up and Bonsai Bank announced plans to cut some of its branches.

Yesterday, it was announced that Karaoke Bank is up for sale and will likely go for a song, while today shares in Kamikaze Bank were suspended after prices nose-dived. Also today, Cherry Blossom Financial Services is reported to be in the pits.

While Samurai Bank are soldiering on following sharp cutbacks, Ninja Bank are reported to have taken a hit, but they remain in the black.

Furthermore, 500 staff at Karate Bank got the chop, and analysts report that there is something fishy going on at Sushi Bank where it is feared that staff may get a raw deal.

An old Indian was asked what his wife's name was.

"Wife named Three Horse", he replied.

"That's an unusual name for your wife -- Three Horse. What does it mean?"

"It's old Indian name. Means Nag-Nag-Nag!"

(sorry ladies)

## **Rating Women**

Three guys were having a few beers at a bar and checking out the babes as they entered the bar. A cute blonde walked in. The first guy said, "I'd give her a 7. She's cute."

The other two agreed.

The bartender, overhearing their rating, said dryly, "I'd give her a 3."

"A 3? Man, you're harsh!" The guys figured the bartender just had lousy taste in women and returned to their sport. The next young lady scored a 9, but the bartender gave her a 5.

"A 5? How can you give her a 5?" the three guys asked. "She's gorgeous!"

Then a stunning blonde walked in.

Our three judges nod and say in unison, "10!"

But the bartender only rated her a "6."

"A 6!? No way!" protest the three guys. "What scale are you using?"

"The Budweiser scale," the bartender.

"The Budweiser scale? What the hell is that?" asked the three guys.

The bartender explained, "That's the number of Clydesdales it would take to pull me off her!"
