See you at the Races!!!!!!!

2008-4

QSAC West 2008

Sorry I've missed so many races, I will be back soon..... Tom

Some Trivia

2006 had 7 points races with 250 total entries 48 different racers 20 who ran all races.

2007 points series ,had a 215 total entries in 6 points races with 16 Sportsman ,14 Super truck ,12 Novice , 10 Grand National and 13 Open Wheel for a total of 52 racers and 22 racers who ran all races.

To date, 2008 with 5 of 9 Points Races Run we have 159 total entries 59 different racers, 8 racers who ran all races, averaging 30 per race that would put us at 279 total entries for the year ! What does this mean? Hell if I know-- but interesting !

It's that time again. We need some names in the hat for replacement 2009 Board members. There are three openings. You can nominate any QsacWest member, or put your own name in the hat. Please everyone-- Help Us Out !!

I've included 2 Maps to the Phoenix Track "Speedworld" . The first is a overall map which shows where the track is in relationship to the freeways. The most direct route is up the 303 loop (exit 124) but it has a more lights then taking the Sun Valley Pkwy (exit 109). The Second is a closeup of what to do when you get close to the "60".

Go North on 60 and turn West on W. Happy Valley Road, when coming from the south.
